MEDIA RELEASE

Dropping of charges against Jacob Zuma

The decision by the NPA to drop charges against Mr. Jacob Zuma is unfortunate. By their own admission Mr. Zuma has a case to answer and yet they decide to drop the charges. This is nothing but political expediency on the part of Mr. Mokoteli Mpshe.

It is our view that cases should be decided in the courts of law and not in offices. What the NPA has done confirms our view that this country is now a Banana Republic.
